Explanatory Notes

- WLS Member Library Statistics 2022 are based on the *Annual Reports for Public & Association Libraries 2022* submitted to New York State. Financial figures on the *Annual Report* are on a cash basis for the operating fund.
- Westchester averages are determined by dividing the total for that category by the number of libraries (i.e. 38). Rankings are based on numbers which have not yet been rounded to 1 or 2 decimal places.
- Please note that unusual variations in the statistics may be a result of construction projects, temporary closings, or other conditions—particularly ongoing ramifications of COVID-19 in 2021. Please refer to the *Note of Unusual Circumstances*.
- Per capita, percentage rankings and other formulas were derived from the basic data as follows:

Unusual Circumstances

Special Notes: Many libraries continued with modified services because of previous COVID-19 closures and limitations. Any additional unusual circumstances are listed below.

Mount Vernon Public Library: The Library's 2022 Annual Report was not officially submitted to nor approved by New York State Library Division of Library Development. Statistics will be reported and the report revised when the library's report is officially submitted and approved by the State.

Briarcliff Manor Public Library In March and July 2022, there were pipe leak incidents that caused the Library to close to a few hours and disrupted services. From May 31 through late October 2022, there air conditioning did not work. Anecdotally, patrons use of the space seemed low. Temporary units installed in mid summer helped some, but were loud.

Dobbs Ferry performed a major weeding/ deletion of materials.

Irvington On September 2, 2021, the library sustained some minor damage from Hurricane Ida. We lost approx. 300 books - many of which came from our Large Print Collection. The replacement cost of these books is part of the large amount we spent on books in FY 21/22.

Katonah Katonah Library has been experiencing town funding issues for several years now. In 2021, although covid restrictions were lifted, the library was unable to open on Saturdays due to said funding issues. However, in Jan of 2022, the town increased the library's funding by \$50,000, which allowed the library to open on Saturdays. The month of January was spent finding staffing, and in Feb of 2022, Katonah Library was able to open from 10-5 on Saturdays.

Larchmont In September of 2021 the Library was flooded during Hurricane Ida. The lower level was closed until May 2022 while being completely repaired and restored. The adult Non Fiction collection was unavailable for circulation during this time.

Port Chester The Library re-installed a new underground oil tank. The Library did a massive weeding of the collection.

Pound Ridge The library underwent a "makeover" - new paint, flooring, furniture, shelving, lighting, etc. and part of the building was closed to the public from October 20th through December 20th.
